Re: Parcel Map CO 05-0190

Dear Ms. Christensen,

Attached please find the above referenced parcel map and the Declaration of Covenants, Conditions and Restrictions submitted for concurrent recording with the parcel map. It is being returned pursuant to Government Code §66466 (b).

According to Government Code §66465 the subdivider shall provide evidence that all parties required have signed the map. The title company representing the property owner was unable to guarantee ownership, including beneficial interests within the 10 working days specified in the government code for recording a parcel map.

A copy of this letter has been forwarded to the property owner on the map, to the title company and to the surveyor that prepared the map. If you require additional information please feel free to contact me.

Sincerely,

Amanda King
Deputy Clerk-Recorder
